The City of Hawthorne and the South Bay Workforce Investment Board are pleased to welcome you to the Hawthorne Teen Center at the Hawthorne Memorial Center. The Hawthorne Teen Center is operated in partnership with local schools and community agencies to provide a safe environment for youth ages 13-17.

The Hawthorne Teen Center is a recreational center where teens can have fun and learn through workshops, computers, games and field trips. The teen center reinforces the importance of staying in school and entering college. It also provides job training services and alternatives to gang involvement.
