

Want to Make an Impact in a Youth's Life?

BECOME A MENTOR TODAY!

Get matched with youth in the South Bay community

Seeking mature individuals at least 21 years and over to mentor our 16-17 year-old YouthBuild students

Youth are in the process of obtaining their high school diploma, learning great vocational skills, and leadership qualities. **This is the critical time when they need your mentoring the most.**

Interested individuals will be enrolled into our Office of Juvenile Justice and Delinquency Prevention (OJJDP) Mentor Program and will start with a 3-month group mentoring program followed by a one-to-one match that lasts 12 consecutive months and hopefully beyond that.

Mentors must donate 4 hours a month to youth. Mentors are screened through a three-layer process that includes an application, interview and a background check.

The future of our communities depends on people like YOU!

SBWIB YouthBuild: Our mission is to empower under-served young adults, ages 16-24, to rebuild their lives and communities through leadership, education and technical training.
