SCAN is:

An employer and stakeholder consortium which brings together those interested in **growing and expanding apprenticeship across Southern California** and:

- creates employment opportunities for job seekers,
- uplifts underrepresented communities and those with employment barriers,
- provides employers with a quality pipeline of world-class local talent.

SCAN's purpose:

We provide a forum for business, government, educators, workforce boards, community-based organizations, labor, and other interested parties to come together to **share information, access resources and work together to grow apprenticeship programs** across Southern California and the State—to support the State's apprenticeship enrollment and placement goals of **500,000 apprentices by 2029**.

Share Apprenticeship Needs

Please email scan@sbwib.org with any suggested topics for future SCAN meetings or areas where you need apprenticeship assistance so we can connect you to the appropriate resources.

Join a Subcommittee

Email scan@sbwib.org to let us know if you have interest in working on one of three subcommittees. The time commitment is minimal (joining monthly calls) and very critical to the effectiveness of the network.
