Build Your Workforce Pipeline from Pre-Apprenticeship through Apprenticeship/ Employment

AN EMPLOYER-CENTRIC EARN & LEARN MODEL

Aero-Flex was formed to develop an employer-driven pre-apprenticeship framework that would meet the workforce development needs common to the aerospace/advanced manufacturing industry.

Employers:

- Flex curriculum to your needs
- Build a flexible, dynamic workforce with common skill base
- Access to a pool of candidates with work-readiness and entry-level technical skills
- A nationwide program
- Employer-defined training plan
- Obtain funding to support training
- Scale program throughout the organization

We welcome any advanced manufacturing businesses in LA County to participate! We will assist to cover the initial wages of pre-apprentices/interns at your worksite through a partnership with LA District Supervisor Janice Hahn and the Rio Hondo America Job Center. The only criteria are that the pre-apprentice/intern must be between 18-24 years old, reside in District IV (Hahn’s district- map), and be looking for full-time employment.
