Special Projects Development Coordinator
Job Announcement

Summary
Come join the South Bay Workforce Investment Board’s (SBWIB) Special Projects team and be a part of an exciting department where you will be helping thousands of people across California and the nation to realize their career goals. Our programs impact all populations, and you will be working with industries that are launching groundbreaking innovations in such sectors as advanced manufacturing; aerospace; bioscience; energy; climate & environment; healthcare; arts, media & entertainment, and information technology. If you are an energetic, enthusiastic person with an upbeat personality and a desire for helping others and making a difference, this job is for you!

Salary & Benefits
This is a full-time position (40 hours/week) with an hourly range of $25.83 to $30.00. Our Company has developed a comprehensive set of employee benefit programs to supplement our employees’ regular wages. Our benefit package represents a hidden value of additional income to our employees, which includes 75% employer covered medical cost, sick and vacation time, holidays, and a competitive 401k plan. All full-time employees are invited to participate in the company’s health benefits package after completing 60 days of employment. The employment probationary period is 6 months. Some of the beneficial perks offered at SBWIB Inc. are ‘student loan forgiveness’ (PSLF) as we are a participating 501(C)(3) non-profit. Our organization also pays up front for travel and hotel expense to any workshops, events, seminars, or meetings that are a distance outside of the norm to travel to.

Minimum Qualifications
- Bachelor’s Degree or any satisfactory combination of experience and training which demonstrates the knowledge, skills and abilities to perform the duties above.
- At least three to five years of professional experience.
- Superb written and verbal communication skills and presentation skills.
- Passionate about workforce development and working with diverse populations.
- Excellent organizational skills, including the ability to manage multiple tasks and projects in a timely manner.
- Experience with Microsoft Office software, including Outlook, Word, PowerPoint, and Excel.
- Capable of functioning effectively in a professional work setting with various levels of staff and building strong relationships both internally and externally; and
- Able to work independently and collaboratively with others; and
- Flexible, versatile and/or tolerant in a changing work environment while maintaining effectiveness and efficiency.

Preferred Qualifications
- Experience building strong business relationships and working with diverse populations.
- Experience with grant writing; and
- Experience with workforce development and/or apprenticeship.

Essential Duties and Responsibilities
Under the direction of the Special Projects Development (SPD) Manager or other assigned manager, the Special Projects Development Coordinator will be responsible in part for acting as an account manager to employers around California and the nation, overseeing and implementing various workforce projects to support employers and job seekers. Duties include, but are not limited to, the following:
- Build and maintain relationships with employers in a variety of industry sectors, identify their needs, and coordinate participation in the appropriate SBWIB programs.
- Manage successful delivery of project milestones, particularly those related to employer and business engagement.
- Participate and/or conduct regular meetings with team members, Boards, school districts, affiliates and/or committees to provide updates as necessary.
- Make public presentations as needed and communicate to the public about available programs offered by the SBWIB.
- Assist team in compiling and creating reports and/or newsletters.
- Assist team with fund development and grant writing.
- Assist team with apprenticeship development and management, and the development of other career pathway programs.
- Assist team with management of other programs as needed such as Employment Training Panel (ETP) funding.
- Assist with project specific orientations, enrollments, case management, job placement and data entry as needed; and
- Perform other Special Projects and assignments as needed.
